

STATEMENT OF PURPOSE

RS27301 / H0424

This proposed legislation aims to make fine tune changes to the 2018 Barbers and Cosmetologist Act. Consistent with the Red Tape Reduction Act and the Licensing Freedom Act, this bill will streamline requirements by reducing redundancy, expanding apprenticeship opportunities, and removing the haircutter license. This bill will also create a charitable works exception and add an exemption allowing visual arts participants to perform barber-styling or cosmetology services.

FISCAL NOTE

There is no impact to the General Fund, because the board operates solely on dedicated funds. There is no impact to the Bureau of Occupational Licenses dedicated fund since the proposed legislation will not alter the number of board meetings held each year, require more services be provided to the board, or change any fee schedules.
